

EVO® MAINTENANCE SOLUTIONS

THE PERFECT FIT FOR YOUR AFTER MARKET BUSINESS

ROTORCOMP® AFTER MARKET SOLUTIONS

EVO®LUBE-SP ISO VG46/68

THE STANDARD SOLUTION

- › available in viscosity 46 and 68
- › low tendency of evaporation
- › exceptional protection of internal metal surfaces
- › contains ashless anti-wear system to help prolong the life of critical parts such as bearings and gears

EVO®LUBE-HP ISO VG68

THE PREMIUM SOLUTION

- › NSF-H1 listed
- › fulfill U.S. guidelines of sec. 21 CFR of FDA regulations
- › excellent aging- and oxidation resistance as well as high thermal resistance; RBOT according to ASTM D-2272
- › very low foam-behavior according to DIN 51566
- › low tendency of evaporation
- › excellent demulsibility
- › performs over a wide temperature range

TECHNICAL DATA

	Viscosity	Kinematic viscosity at 40°	Kinematic viscosity at 100°	Temperature range	Pourpoint	Container size	Article no.
EVO®Lube-HP ISO VG68	68	68 mm ² /s	11 mm ² /s	-50°/+140°	-55° C	5 liter	N44085
EVO®Lube-SP ISO VG46	46	46 mm ² /s	7,5 mm ² /s	-10°/+110°	-48 ° C	20 liter	N44088
						209 liter	N44089
EVO®Lube-SP ISO VG68	68	68 mm ² /s	10,2 mm ² /s	-10°/+110°	-48 ° C	20 liter	N44090
						209 liter	N44091

MAINTENANCE KIT

- › ROTORCOMP Maintenance solutions maximize the operational reliability
- › OEM parts grant highest quality standards
- › Regular service and maintenance prolongs the lifetime of a compressor
- › Pre-picked service/maintenance packages makes logistic as easy as it can be
- › Ensure performance and reliability
- › Simplify your logistic

Service kits: perfectly adapted to yearly service intervals

Filter kits: contains all filters required for yearly service

Maintenance kits: contains all wear parts that need to be replaced as a “preventive maintenance” measure

Just a few smart kits cover a broad range of versions.
Please refer to the actual spare parts lists for examples.

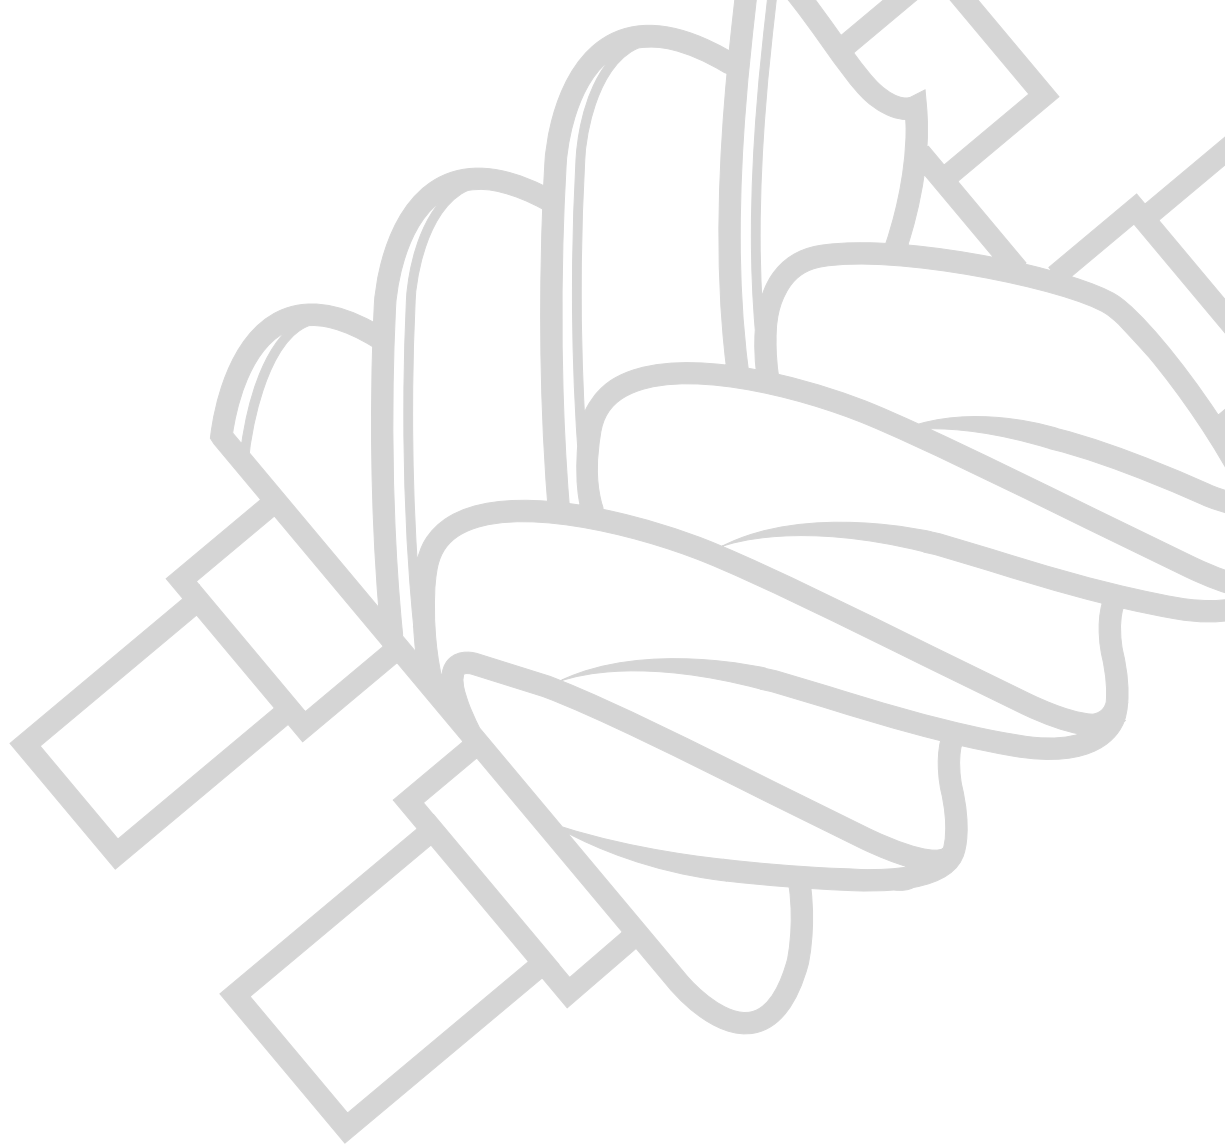

5 YEARS WARRANTY

As ROTORCOMP is convinced of its products' extraordinary quality and lifetime performance, we offer a 5 year warranty on all ROTORCOMP compact units and air ends in combination with a service/parts agreement.

YOUR ADVANTAGES:

- › 5 year warranty on EVO®-NK's, EVO®'s, NK31's and NK200's
- › Users always receive the maximum discount on spare parts for units under the agreement
- › Reliable supply with all required spare parts kits and the high performance EVO®Lube-HP ISO VG68 Oil
- › We give you the tools to set up an extraordinary aftermarket service for your customers
- › If required, ROTORCOMP will provide an Oil analysis after 1 year
